## Work in Progress:

We're still working content for our website, and this page/section is not ready yet or has further work planned. Please feel free to contact us if you have any questions, or check back in a little while.

## NZ Rocketry Association (NZRA)

A great hands-on way to get started on your space dreams, is to get involved with model rocketry. The NZRA has been launching for almost 20 years - helping enthusiasts of all ages enjoy the rush of launching their own rocket. They hold a National Rocket Day every year around February which is open to the public.
